I have completed the Catholic Diocese of Wichita Administration of Medication at School form (317-T) and it has been given to the administrator/school office attendant prior to use in school.

I request that my child carry the inhaler/EpiPen on his/her person or keep it in his/her locker, purse or book bag, as I consider him/her responsible. The student has been instructed and understands the purpose, appropriate method, and frequency of use of the inhaler/EpiPen.

I absolve the school of any responsibility in safeguarding the student's inhaler/EpiPen.
